

WELCOME to Siena Airport

Dear Customer,

If you need to come to Siena and its beautiful surrounding areas for business or for leisure, the airport in Siena is an excellent location where to start your journey from.

The airport is now operative and offers a series of amenities dedicated to General Aviation flights only.

It also offers the unique possibility in Italy for limousines to access the apron to bring and pick up passengers directly at the door of their aircraft.

Below is a list of what this airport has to offer to passengers, crews and aircraft:

- Handling & Airport clearance
- Fuel Jet A1
- In-flight catering through SKY CUISINE
- Hangar space available with night surveillance
- Aircraft cleaning inside and outside
- Direct access to the aircraft by limousine
- Baggage Delivery
- Meet & Greet service
- Family Meet & Greet (when travelling with young children and infants)
- Baby strollers available on request
- Wheelchairs
- Vehicle rental
- Luxury car rental
- Long stay parking
- Meeting Room
- Gifts
- VIP Transfer from/to airport
- Security service
- Hotel accommodation
- Restaurants reservation in the region
- Ironing Service
- Mailboxes
- Golf & Polo courses
- Helitaxi service
- Aerotaxi service with private jet

Let us know your needs: we will look forward to meet your request.

Aircrafts up until FIRE CAT 3 can be hosted by prior notice and upon request FIRE CAT can be upgraded until 4.

It will be our pleasure to welcome you in one of the most enchanting regions in Italy.
